Timeline visualization showing a stack of horizontal bars representing time intervals. The top-most bar is labeled "8 de mayo de 2022 a las 13:30". Below it, several other bars are visible, with the most legible one labeled "1 de mayo de 2022 a las 14:59". The bars are arranged in a perspective view, receding into the distance. Two large blue arrows, one pointing left and one pointing right, are positioned to the right of the bars.
